FUNCTIONAL AREAS

13:50-14:30

All fellow students in your station will work in the similar Functional Areas

Scope: Speed dating pitches within your Functional Area

1' Personal Presentation (name, my job title, company, years of experience, i-MBA cohort)

Indicated points of discussion:

What you consider to be the most challenging aspect of your job in your function (ONE aspect), or **what new knowledge you need to acquire to be better / more competitive in your job** in your function (ONE knowledge area) and also state **what you would like your next career step to be**, if you stay within the same function. If you like to **change functions**, you also state that and **what function you wish to transit to**.
